This is an exciting opportunity to join Cogent Skills Training, which is part of the Cogent Group of companies who are firmly positioned as the skills and talent partner for science industry companies.

We require an inspirational, enthusiastic and innovative Tutor/Assessor with the ability to deliver high quality teaching, learning and assessment to our learners undertaking City & Guilds process technology (0610 diploma) at level 2 and 3 through an apprenticeship standard. The successful candidate will need to have a strong background in mathematics and chemistry and experience either with the process technology diploma or a background in delivery to process operatives / manufacturing technicians.

The successful candidates will have proven experience in the science manufacturing/process sector with practical industry skills and preferably a demonstrable track record of delivering qualifications and/or apprenticeships for the following apprenticeship standards along with the ability to IQA:

Science Manufacturing Technician Level 3
Process Operator Level 2

Cogent Skills Training is a national apprenticeship training provider linked with life science and industrial science industries sectors across the UK. The position could be suitable for an associate looking for full or part time opportunities.

Cogent is committed to safeguarding and promoting the welfare of children and young people and expects all employees to share this commitment.

To apply please click on the below link

<https://www.cogentskills.com/about/work-for-us/>

Please complete an application form and send it together with a letter of application by 6th September 2019 outlining your suitability for this post and how you would ensure success. Interviews will take place in the Warrington office in September 2019.

If you haven't heard back from us within 21 days of your application, it means that unfortunately your application has been unsuccessful on this occasion.
