

SIAS Managing Director Vacancy

SIAS have an exciting opportunity for an experienced senior leader to take on the role of Managing Director within a successful End Point Assessment Organisation (EPA).

You will be responsible for leading the SIAS Business Unit, taking responsibility for commercial business performance and providing leadership to our growing team along with achieving operational excellence.

Working with the Group CEO and FD, you will develop the business strategy for growth, establish best operating practice and use of technology, identify new product and market opportunities and marketing strategies to establish the position of SIAS in the end assessment market place as an expert, trusted partner for the science industry companies and their Apprentices.

You will also be a member of the Cogent Skills Leadership Team, reporting into the group CEO and engaging in the development and delivery of the Group strategy and delivery plans.

SIAS is part of the well-established and respected Cogent Skills Group of companies and is in its 6th year of operation.

If you understand the qualifications and assessment sector and have applied this to industry and you have the appetite and skills to manage a small, growing business, we would like to speak with you.

Full details of the role and the skills and experience required, can be found within the job description.

This position is full time and is a hybrid of working in our Warrington office and home based.

Remuneration Package

- Salary £60,000 to £65,000 per annum dependent on experience
- Car Allowance £6,351 per annum
- Pension – company contribute 6%
- Life Assurance
- 28 days holiday plus 8 bank holidays with the opportunity to buy-back 5 extra days annual leave
- Optional Private Health Care package
- Employee Assistance Programme
- Bonus Scheme
- On-site parking

SIAS is committed to Safeguarding and promoting the welfare of children and young people and expects all employees to share this commitment.
